

VCC 2022 COVID-19 Guidelines

This Document Last Updated February 19th 2022

These guidelines will be continuously updated without notice to comply with the guidelines of our venue. Failure for competitors and spectators to comply will result in immediate expulsion from the event.

Proof of Vaccination:

Proof of full vaccination is required to access this event for everyone 12 and older. All spectators, competitors, staff, and officials must show upon entry proof in the form of a government recognised vaccine card that the person is fully vaccinated along with a piece of government issued photo ID. Proof of vaccination does not need to be shown by a person under 12 years of age.

Mask Guidelines:

Masks must be worn in all indoor public spaces throughout B.C. to help slow the transmission of COVID-19. People 5 and older must wear masks in indoor public settings, regardless of vaccination status.

Competitors must wear a mask at all times to and from the dance floor and while not actively competing. Masks may be worn or removed on the dance floor while actively competing. However, before you enter and as soon as you exit the dance floor, you must put your mask back on. Of course, you can remove your mask when eating or drinking, but you **MUST** be seated and not walking around when consuming food or drink.

Spectators and participants must follow facility protocols about the use of masks at all times.

Food & Drink:

This year, we will NOT be offering a concession stand or bar.

If you are bringing your own snacks, **please ensure that they are Kosher, as Beth Israel is a Jewish Synagogue.**

If you are bringing food that is not Kosher, then you will have to consume it outside the building. (There is limited seating in the front of the building outdoors.)

Water will be available. However, please bring your own refillable water bottle.
